

INTER-SCHOOL DIPLOMA e-CERISE

(online Continuing Education of veterinary Services)

GOOD GOVERNANCE AND QUALITY OF VETERINARY SERVICES

VetAgro Sup

envt école nationale vétérinaire toulouse

EnvA École nationale vétérinaire d'Alfort

Oniris ÉCOLE NATIONALE VÉTÉRAIRE, AGROALIMENTAIRE ET DE L'ALIMENTATION

TARGET AUDIENCE

Official veterinarians:

- from countries that have committed to the WOAHP PVS Pathway
- wishing to acquire additional skills and to progress in their functions and responsibilities

An advanced degree in the veterinary sciences and 3 to 5 years of relevant professional work experience are required.

TRAINING OBJECTIVES

At the end of the course, the participants :

- will have the knowledge and skills necessary to actively participate in the design, implementation, evaluation, and coordination of veterinary public-health policies
- will understand how to implement WOAHP recommendations for their home countries

The content of the course will be adapted, on a case-by-case basis, to the local situation for each participant's home country and to the strategy designed for that country as a result of the PVS Gap Analysis (Evaluation of Performance of Veterinary Services).

PEDAGOGICAL METHODS

e-learning platform (PowerPoint with comments, interviews, videos, case studies, webinars...)

A personal project supervised by a tutor and whose theme is defined by the participant and his administration at the start of the training. Evaluation of the personal project at the end of the training.

CERTIFICATION REQUIREMENTS

Diploma is awarded if learner validate:

- all training modules
- and her/his personal project (written report and oral restitution).

SCIENTIFIC LEADERS OF THE PROGRAMME

This Diploma is under the scientific and pedagogical responsibility of an Orientation and Training Board composed by professors of the four French national veterinary universities and of the "Centre National de Veille Zoonitaire" of Tunis, Tunisia (CNVZ).

Experts on the WOAHP PVS pathway are also involved.
